

## ASUS P7P55-M carte mère Intel® P55 LGA 1156 (Socket H) micro ATX

Marque : ASUS

Code produit: P7P55-M

Nom du produit : P7P55-M

ASUS P7P55-M. Fabricant de processeur: Intel, Socket de processeur (réceptable de processeur): LGA 1156 (Socket H). Mémoire interne maximale: 16 Go. Niveaux RAID: 0, 1, 10. Élément de forme de carte mère: micro ATX, Carte mère chipset: Intel® P55, Canaux de sortie audio: 7.1 canaux

| Processeur                                        |                     | Panneau arrière des ports I/O (Entrée/sortie) |             |
|---------------------------------------------------|---------------------|-----------------------------------------------|-------------|
| Fabricant de processeur *                         | Intel               | Quantité de Ports USB 2.0 *                   | 8           |
| Socket de processeur (réceptable de processeur) * | LGA 1156 (Socket H) | Nombre de ports PS/2                          | 2           |
| Mémoire                                           |                     | Nombre de Ports IEEE 1394/Firewire            | 1           |
| Nombre de logements pour mémoire *                | 4                   | Sortie de casque                              | 1           |
| Mémoire interne maximale *                        | 16 Go               | Entrée jack microphone                        | ✓           |
| Contrôleur de stockage                            |                     | Caractéristiques                              |             |
| Niveaux RAID                                      | 0, 1, 10            | Carte mère chipset *                          | Intel® P55  |
| Graphique                                         |                     | Puce audio                                    | VIA VT1708S |
| Technologie de Traitement en parallèle *          | Non pris en charge  | Canaux de sortie audio *                      | 7.1 canaux  |
| I/O interne                                       |                     | Elément de forme de carte mère *              | micro ATX   |
| Connecteurs USB 2.0 *                             | 6                   | Type de source d'alimentation                 | ATX         |
| Nombre de connecteurs SATA                        | 6                   | Connecteurs d'extension                       |             |
| Entrée audio CD/AUX                               | ✓                   | PCI Express x1 emplacement                    | 2           |
| Nombre de connecteurs COM                         | 1                   | PCI Express x16 emplacements                  | 1           |
